The Associate Member shall be allowed to participate in activities including committee and subcommittee meetings, but shall have no rights to [1] vote for any Director; [2] serve as Chair, Vice-Chair or as a Stakeholder group committee member of any committee.

Section 2.04 Membership Term

The term of any membership shall be: (i) the term designated by action of the Board of Directors; and (ii) coterminous with the payment cycle of any fees or dues assessed against such member; provided, however, that if any member shall fail to pay dues or assessments at the time designated by the Board, then such member's membership shall automatically terminate without any further action of the Board or notification to such member, unless such member pays its outstanding dues and any other assessments that may be imposed by the Board. Any member may resign at any time upon written notice to the Secretary (any resignation to take effect as specified or, if not so specified, upon receipt by the Secretary), and any member may be removed at any time, with or without cause, by action of the Board of Directors then in office in accordance with Section 3.11 and 3.12.

Section 2.05 Rights and Duties of Members

Each member shall abide by the Bylaws and the rules and regulations.

- Stakeholder Members in good standing shall have the exclusive right to vote for Directors. Stakeholder Members can vote on all issues required of the membership. Only Stakeholder Members can serve as the Chair or Vice-Chair of any committee.
- Associate members in good standing shall have the right to vote on all issues required of the membership. Associate members cannot vote for any Director, serve as Directors or Officers, or as Chair or Vice-Chair of any committees.

Section 2.06 Members in Good Standing

For the purposes of these Bylaws, a member in good standing is one who has paid their current dues, abides by the rules and participates regularly in the activities of the Alliance. A Director in good standing is one who, in addition to the efforts above, ensures the Stakeholder Members having interest in the industry stakeholder group the Director represents, are provided information on industry issues pending review of the Board in a timely manner so they may have a voice before a vote is cast by the Director.

Section 2.12 *Waiver of Notice*

Whenever any notice is required to be given to any member, a waiver in writing signed by the member entitled to such notice, whether before, at or after the stated time, shall be the equivalent to notice. The presence of any member at a meeting, in person, by teleconference or by proxy, without objection to the lack of notice of such meeting, shall also waive notice by the member.

Section 2.14 Vote

Stakeholder Members and Associate Members in good standing or employed by a legal entity member in good standing shall have the right to one vote on matters pertaining to general affairs or non-industry issues on which a vote of the Members is required or requested by the Board of Directors. Section 2.15 Meetings by Conference Telephone

Members may participate in any meeting by telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other at the same time, and such participation shall constitute presence in person at a meeting.

ARTICLE III

Board of Directors

Section 3.01 Power of Board

The property, business and activities of the Alliance shall be governed by the Board of Directors. The Board of Directors shall have full power and authority to manage and conduct same, subject to the instructions of the Board. The Board of Directors shall have the sole vote on industry issues of the Board.

Section 3.02 Number of Directors

The Director is the individual elected from and by the Stakeholder Members to serve as the representative of the industry stakeholder group to which they are elected. The 13 industry stakeholder groups established by the Alliance are: Electric; Engineering/Design; Excavator; Gas; Locator; One-Call; Pipeline; Public Works; Road Builder; Sewer; State Regulator; Telecommunications; and Water. The number of Directors may be increased or decreased at any time by action of the entire Board of Directors. No decrease in the number of Directors shall have the effect of shortening the term of any incumbent Director. The number of Directors shall never be less than three (3) nor more than twenty-five (25).

Section 3.03 Qualification of Directors

Only current Stakeholder Members in good standing can be elected as a member of the Board of Directors representing the industry stakeholder group designated in the Member's membership application. Any participant of a current legal entity Stakeholder Member can be elected to serve as Director, representing the industry stakeholder group designated in the entity's membership application. Directors shall be natural persons and shall be

OF

primarily employed by the industry stakeholder group to which they are elected to represent. A majority of active Directors will be residents of the State of Nevada.

Section 3.04 Rights and Duties of Directors

The Director has the exclusive right to vote on industry issues. It is the responsibility and expectation of the Director to provide timely information to their industry stakeholder group members so they are informed on industry issues pending Board review, and allowed time to respond back to the Director with concerns or suggestions accordingly. A Director has the right to assign a representative to conduct business in their absence. This assigned alternate holds the same rights and duties of an elected Director. It is the responsibility of the Director to attend regular membership meetings. Failure to attend a minimum of 2/3rds of regularly scheduled meetings will result in disqualification at the subsequent election for that Director seat.

Section 3.05 Nomination of Directors

The Board of Directors shall appoint the Chair of the Nominating Committee and the Chair shall solicit nominations from Stakeholder Members in good standing. The Nominating Committee may consist of up to three (3) Members representing a diversity of the industry stakeholder groups established by the Alliance. No Member of the Nominating Committee may be a candidate for a Board of Directors position. The members of the Nominating Committee shall collect candidates for each of the Director positions to be filled at the next scheduled election. The Nominating Committee shall cease to exist upon filing its report to the Members. If there is more than one nomination per post to be filled, those nominees receiving the highest number of votes will be elected to the vacant post.

Section 3.06 Election and Term of Director.

Elections can occur as determined by the Board of Directors; however, normal elections will occur during the last full meeting of the members during the preceding year. Approximately one-half of the Directors will be elected each year, on an alternating schedule. Each Director shall be elected to a two (2) year term of office. Term of office will be defined by calendar year, specifically the calendar year that begins following the normal election.

OF
NEVADA REGIONAL COMMON GROUND ALLIANCE
(A Nevada Nonprofit Corporation)**

Section 3.07 Removal of *Directors*

A Director may be removed with or without cause by a majority vote of the members of which the primary stakeholder represents. A Director may also be removed with or without cause at any time by action of the Board. A Director representing a specific stakeholder category may only be removed if a majority of the stakeholder members within that category approve to petition the Board of Directors. Upon receiving such a petition, the Board of Directors shall assess its validity and, if deemed valid, hold a vote to determine whether to retain or remove the Director. A two-thirds majority vote of approval by quorum of Board of Directors is required to remove the Director representing the stakeholder category, provided that such action of the entire Board of Directors is taken at a meeting called expressly for that purpose.

Section 3.08 *Resignations*

Except as otherwise required by law, any Director may resign at any time by giving written notice to the Board, the Chair, Vice Chair, or to the Secretary. The resignation shall take effect at the time specified, and unless otherwise specified, no acceptance of such resignation shall be necessary to make it effective.

Section 3.09 *Vacancies*

Any vacancy occurring in the Board of Directors may be filled by a majority of the votes cast by members entitled to vote for such Director. A Director elected to fill a vacancy shall be elected for the unexpired term of the Director's predecessor in office and until the Director's successor is elected and qualified. Special elections for vacancies due to resignations or terminations shall be coordinated by the nomination committee to include stakeholder members and the Board of Directors and be executed in a timely manner.

Section 3.10 *Meetings of the Board*

The Board of Directors will meet annually. In addition, special meetings of the Board of Directors may be called by the Chair, Vice Chair, the Secretary, or by action of the Board of Directors. Notice for Meetings of the Board of Directors shall be provided a minimum of five business days in advance and may be conducted in-person, via teleconference, or a combination of any agreed upon method.

Section 3.11 *Quorum of Directors for Non-Industry Issues*

At least a majority of the Directors represented in person, by teleconference or by proxy shall constitute a quorum at a meeting for the election of Officers, or for any other non-industry issue vote required of the Board. No Director or their alternate may, by participation or failure to participate, boycott or prevent the election of any Directors or Officers. Failure to elect an Officer shall be considered a vacancy and shall not preclude the conduct of any business. The Directors present at a duly organized meeting may continue to elect Officers until adjournment, notwithstanding the withdrawal of enough members to leave less than a quorum. If a meeting cannot be organized because a quorum has not attended, those present may adjourn the meeting until such time a quorum is present.

Section 3.12 *Quorum of Directors for Industry Issues*

**BYLAWS
OF
NEVADA REGIONAL COMMON GROUND ALLIANCE
(A Nevada Nonprofit Corporation)**

For industry issues, two-thirds of all Directors must be represented in person, by alternate, by teleconference, or by proxy to constitute a quorum at a meeting of Directors for voting on industry issues required of the Board. If a meeting cannot be organized because a quorum has not attended by the above means, the Chair or Vice-Chair will adjourn the meeting until such time a quorum is present.

Section 3.13 Industry Issues

For the purposes of these Bylaws, an industry issue is one that will affect the Stakeholder Members' operations, including but not limited to: proposed modifications to NRS 455 and NAC 455; any adoption or deletion of future NRCGA Best Practices or existing or future CGA Best Practices. An industry issue also includes: modification of these Bylaws, Articles of Incorporation or Standing Rules; increase or decrease in established industry stakeholder groups; and, increase or decrease in number of Directors.

Section 3.14 Vote

Each Director shall have one vote. The Director may vote on all matters of the Board including the election of Officers. Such voting may be conducted in person or by alternate means such as by teleconference, by proxy, by mail ballot or such other means determined by the Board of Directors and communicated to the Directors in advance of the vote. There shall be no cumulative voting in elections for Officers. Whenever any election of Officers is to be taken by vote of the Directors, it shall, except as otherwise required by law, be authorized by a majority of the votes cast at a meeting of the Directors. For industry issues required of the Board, there must be two-thirds consensus for the issue to be considered passed or accepted by the Board.

Section 3.15 Action of the Board

Whenever these Bylaws refer to "action of the Board of Directors" it shall mean the action of two-thirds (2/3) of the Directors present at meeting, through written action or telephonic means as provided by these Bylaws. Whenever these Bylaws provide "action of the entire Board of Directors" it shall mean an action which requires the vote of all or 100% of all Directors either elected or appointed, by the means described under Section 3.12 of these Bylaws.

Section 3.16 Meetings by Conference Telephone

Directors may participate in Board meetings or committee meetings by means of teleconference or by any means of communication by which all persons participating in the meeting are able to hear one another, and such participation shall constitute presence in person at the meeting.

Section 3.17 Compensation of Director; Loans to Directors

The Alliance shall not pay any compensation to Directors for services rendered to the Alliance, except that Directors may be reimbursed for expenses incurred in the performance of their duties to the Alliance, in reasonable amounts as approved by action of the entire Board of Directors. No loans or guaranties of indebtedness shall be made by the Alliance to or for its Directors.

**BYLAWS
OF
NEVADA REGIONAL COMMON GROUND ALLIANCE
(A Nevada Nonprofit Corporation)**

Section 3.18 *Indemnification and Insurance*

Unless otherwise prohibited by law, the Alliance shall indemnify any Director or officer, any former Director or officer, any person who may have served at its request as a Director or officer of another corporation, whether for profit or not for profit, and may, by action of the entire Board of Directors, indemnify any employee against any and all expenses and liabilities actually and necessarily incurred by it or imposed on it in connection with any claim, action, suit, or proceeding (whether actual or threatened, civil, criminal, administrative, or investigative, including appeals) to which it may be or is made a party by reason of being or having been such Director, officer, or employee; subject to the limitation, however, that there shall be no indemnification in relation to matters as to which it shall be adjudged in such claim, action, suit, or proceeding to be guilty of a criminal offense or liable to the Alliance for damages arising out of its own gross negligence or intentional or willful misconduct in the performance of a duty to the Alliance. Amounts paid in indemnification of expenses and liabilities may include, but shall not be limited to, counsel fees and other fees; costs and disbursements; and judgments, fines, and penalties against, and amounts paid in settlement by, such Director, Officer, or employee. The Alliance may advance expenses to, or where appropriate may itself, at its expense, undertake the defense of, any Director, officer, or employee; provided, however, that such Director, Officer, or employee shall undertake to repay or to reimburse such expense if it should be ultimately determined that it is not entitled to indemnification under this Article. The provisions of this Article shall be applicable to claims, actions, suits, or proceedings made or commenced after its adoption, whether arising from acts or omissions to act occurring before or after its adoption. The indemnification provided by this Article shall not be deemed exclusive of any other rights to which such Director, officer, or employee may be entitled under any statute, Bylaw, agreement, vote of the Board of Directors, or otherwise and shall not restrict the power of the Alliance to make any indemnification permitted by law.

The Board of Directors may authorize the purchase of insurance on behalf of any Director, officer, employee, or other agent against any liability asserted against or incurred by it which arises out of such persons status as a Director, officer, employee, or agent or out of acts taken in such capacity, whether or not the Alliance would have the power to indemnify the person against that liability under law. If any part of this Article shall be found in any action, suit, or proceeding to be invalid or ineffective, the validity and the effectiveness of the remaining parts shall not be affected.

Section 3.19 *Conflict of Interest*

Any member of the Board who has a monetary interest in, or conflict with any matter pending before the Board, of such nature that it prevents the member from acting on the matter in an impartial manner or as a representative of the industry stakeholder group which they represent, must disclose the interest or conflict and be given the opportunity to disclose all material facts to the Directors and members of committees with board delegated powers considering the proposed transaction or arrangement. After disclosure of the interest or conflict and all material facts, the board or committee will vote on whether an interest or

**BYLAWS
OF
NEVADA REGIONAL COMMON GROUND ALLIANCE

conflict exists. Should an interest or conflict exist, the member will recuse him/herself prior to any discussion and voting on said matter pending before the board or committee.

If the board or committee has reasonable cause to believe a member has failed to disclose an actual or possible conflict or monetary interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose. If after hearing the member's response and after making further investigation as warranted, the board or committee determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

ARTICLE IV

Section 4.01 Committees; Authority

By action of the Board of Directors, the Board may designate and appoint one or more committees. The designation and appointment of any such committee and any delegation of authority to the Committee shall not operate to relieve the Board of Directors, or any individual Director of any responsibility imposed upon the Director by law.

Each Officer shall be elected or appointed to office by the Directors and shall serve a one (1) year term in office. Unless otherwise provided by action of the Board of Directors, all officers shall be elected or appointed at the first annual meeting of the Board in the calendar year. Any officer may be removed by the Board of Directors whenever in its judgment the best interest of the Alliance will be served thereby; provided, however, that removal of an officer shall be without prejudice to the officer's contract rights, if any, and the election or appointment of an officer, shall not of itself create contract rights.
